11. Mr. Archey is to report any contact with any law enforcement officer to the U.S. Probation Office within 24 hours of the contact.
12. Mr. Archey will be supervised by the U.S. Probation Office to ensure his compliance. Mr. Archey will comply with the standard conditions of the U.S. Probation Office, Southern District of Alabama, including waiving his right to confidentiality regarding his mental health treatment in order to allow sharing of information with the Supervising Probation Officer who will assist in evaluating the ongoing appropriateness of community placement.
13. The medical provider may at any time recommend modification or elimination of the regimen of medical, psychiatric, or psychological care or treatment, upon

certification to this Court that to do so would not create a substantial risk of bodily injury to another person or serious damage to the property of another. Any party requesting modification or termination of the Conditions of Release shall submit adequate documentation supporting the request through the Supervisory U.S. Probation Officer, to the Civil Division of the U.S. Attorney's Office for the Southern District of Alabama, for a determination as to whether a motion for release should be filed.

14. Mr. Archey's failure to adhere to any of these conditions will result in him being located, taken into custody, and subsequently reviewed by the federal court of jurisdiction for suitability for continued release to the community.

The Bureau of Prisons shall release the respondent after all release arrangements are satisfactory and complete.

This the 28th day of July, 2016.
